

WILLIAM M. HABERMEHL
County Superintendent of Schools

Williams Settlement Legislation Data Collection System

Presented by the Orange County Department of Education

Website Overview

The Williams Settlement Legislation website is an interactive data collection tool. District and school administrators post information in the system. The data is used to generate forms for the school site visits. The site provides a public information portal.

District administrators provide the following information:

-  Contact Information
-  District Calendar
-  Instructional Materials Survey
-  School Accountability Report Card (SARC)

School administrators provide the following information:

-  General Information
-  Instructional Materials Survey
-  Enrollment and Classroom Information Survey C.2.4 (not applicable to middle/high schools)
-  School Calendar/Bell Schedule
-  Current School Map
-  Master Schedule
-  Science Inventory List (not applicable to elementary schools)

Technical Overview

The Williams Settlement Legislation website core technology is based on the Microsoft .NET platform and uses SQL Server database environment.
